REVISION HISTORY

=====

Version	Date	Author	Summary of Changes
1.0	01-Jan-2021	Arjun Mehta	Initial Release
2.8	10-Jan-2024	Arjun Mehta	Added year-end freeze dates

1. PURPOSE

=====

This policy governs the RFC lifecycle to minimize service disruptions and ensure compliance with ITIL v4 standards.

2. SCOPE

=====

All changes (standard, normal, emergency) to the production environments of the 21 managed services.

3. POLICY STATEMENT

=====

3.1 Change Lifecycle

Draft -> Under Review -> CAB Approved -> Scheduled -> In Progress -> Completed/Rolled Back -> Closed.

3.2 Change Freeze Windows

- No tier_0 changes 72 hours before/after a quarterly release.
- Year-end freeze: December 15 through January 5.

4. PROCEDURES

=====

4.1 Change Implementation

4.1.1 Execute only in scheduled maintenance windows.

4.1.2 Verify post-implementation metrics.

4.1.3 Failed changes must execute rollback within 30 minutes if validation fails.

5. ROLES AND RESPONSIBILITIES

=====

- SRE Leads: Draft and execute change requests.
- Arjun Mehta: Oversee change scheduling.
