## REVISION HISTORY

=====

| Version | Date        | Author      | Summary of Changes               |
|---------|-------------|-------------|----------------------------------|
| 1.0     | 01-Jan-2021 | Deepak Nair | Initial Release                  |
| 1.4     | 10-Aug-2023 | Deepak Nair | Added single-vendor dependencies |

### 1. PURPOSE

=====

Establishes risk management guidelines for third-party service providers.

### 2. SCOPE

=====

All external vendor integrations.

### 3. POLICY STATEMENT

=====

#### 3.1 Dependency Risks

Identify single-vendor dependencies. TeleVendor GmbH and VerifyNow Ltd. must be monitored as high single-vendor risks.
